

Treasurer Report: Bank balance \$7,811.81

SN sent the 2025 Year End report into our northern region rep as our report for the CDS Annual Meeting, Burbank, Jan 17th. Due to airfare and hotel expenses (\$1200!), the decision was made to not attend the annual meeting. CDS only covers \$150 travel and half of one night of the hotel expense. We have asked CDS to make the meeting available on Zoom. This request has been made before. We have the support of the central office and our northern rep so maybe Zoom will be available at future annual meetings.
